

Roving Canal Traders Association

26th February 2018

Dear Sir/Madam,

Unfortunately, one of our trustees has left the Roving Canal Traders Association and has requested that we make no contact with them regarding any matter. We have completed a Board of Resoluton as requested and hope that will be sufficient for us to make the required changes to the bank account without the need to contact Sandra Louise Walsh. As she has made it very clear she wants nothing more to do with us.

Please find enclosed forms requesting the removal of signatory Sandra Louise Walsh and the addition of two new signatories Andrew Mills and Justina Evans.

Yours faithfully

Veronica Payne
